

Compass Sales Solutions Announces Automatic Website Bill Pay Option on their Website!

Boise, Idaho (March 2015) – Compass Sales Solutions, the industry leader in sales opportunity software, is excited to announce that we have launched a new E-Bill Express payment option on our website!

We are happy to announce that we have added a new bill pay option to better serve our customers and their accounting needs. This free, easy and secure online billing feature allows customers immediate access to view open invoices along with the ability to track and make payments. It also makes purchasing additional licenses, training packages, and submitting support payments easier than ever!

Additional payment options are now available including debit, credit, and electronic withdraw from your banking institution. Set up recurring payments, and get email notifications when your bill is available as well as payment confirmation.

Heidi Casper, Controller of Compass Sales Solutions states, “This new feature on our website will give our customers the advanced technology to save time and give options for payment methods. I feel that this will greatly advance the communication and give direct access to our customer’s account balance information at the click of a button.”

To enroll and take advantage of our free, easy, and secure E-Bill Express services, please visit <https://ww2.e-billexpress.com/ebpp/Compass/>. If you would like more information contact our offices at (800) 295-0411 or email us at accounting@compasscontact.net.

About Compass Sales Solutions:

Since 2001, Compass Sales Solutions has been the leading sales force automation provider for the office technology industry. Compass Sherpa provides a comprehensive suite that automates all aspects of the sales process and allows your sales professionals to utilize one tool to completely manage the sales process including prospect/client identification, Outlook integration, product configuration, proposal generation, MPS analysis and mapping, ERP integration, and mobile access via smartphone’s and tablets. Compass Sherpa will be the tool your team will **want** to use, not **have** to use.
