

Compass Sales Solutions Launches A Fully Redesigned Website!

Boise, Idaho – March 2018 – Compass Sales Solutions, the industry leader in sales opportunity software, is excited to announce that we have launched a fully redesigned website!

Because of our consistent growth, we have launched a new website to better serve our customers. In addition to the existing content of Training, Support and Services resources, we have added many new features to benefit our customers. We have made it easier to request a demo, read about our Success Stories as well as access News & Events and the most commonly asked questions and answers. In addition, our new website is mobile friendly!

With an enhanced Customer Center, we're consistently adding new videos, live webinars (we ensure there is time for Q&A at the end), documentation, support and training FAQ's, as well as helpful docs and live chat options. Take advantage of all our education/refresher videos for Admins and Users! The videos are informative and can assist you to make your job easier, allowing you more time to sell! At Compass, we want to ensure you are getting all you can get out of our Sales ERP tool!

Sign up for our newsletters so you can ensure you are up to date and in the know of all the exciting enhancements our Development Team are continually releasing to provide we are offering you the very best of the best!

Tami Dittmore, VP of Operations at Compass Sales Solutions, feels, "As the primary Solutions Provider in the industry, we wanted to give our clients the most advanced technology available, not only in our product, but the resources available to them on our website to improve their industry knowledge and help them make more money. This will take us to the next level in Customer Support and Training."

We look forward to sharing our excitement with you in launching our new website and improved Customer Resource Center. Please connect with us on Social Media using Facebook, LinkedIn, and Twitter to hear the latest in industry trends and news.
